ABOUT

Sarah is a designer and artist currently living in the UAE. Her tertiary studies in industrial design and production design for screen, have led to work on numerous projects as a 3D visualiser, set designer and art director, internationally.

She specialises in creating 3D design concept visual and technical construction packages for virtual, temporary and semi-permanent sets and scenic environments in the areas of film, events, industrial design, interior design and VR.

Her work is inspired by the beauty and intrigue of nature, future worlds, geometry and light.
