- **ABU DHABI MINISTRY OF INTERIOR – INTERNATIONAL SECURITY NATIONAL RELATIONS EVENT (MARCH – MAY)**

Job Description: I was the Line Producer for an immersive live event. The show had live action along with content that was filmed beforehand as part of the show. The project involved finding the right script writer; budgeting; crew management; cast coordination; multi-tasking and applying myself to give full production support due to limited resources. Thanks to my level of experience, I was able to manage multiple roles personally.

- **HILTON F1 MCLAREN – PAID PARTNERSHIP SOCIAL MEDIA CAMPAIGN**

Job Description: Service Producer providing resources for U.K prod company filming at Hilton Hotel on Yas Island with McLaren F1 drivers. We had to film with doubles as we only had the athletes for 1 hour due to their schedules. A lot of planning and rehearsing was done which enabled a very smooth shoot.

Job Description: Producer responsible for the full production working closely alongside AUH Government and the UAE military.

- **RED BULL DESERT WINGS DAKAR RALLY SPORTS SHOOT**
