Here's to know me better.

Being born and brought up in UAE, the culture, richness and every essence of this land had vividly been a part of my life & imagination. Molding vision with a blend of creativity and storytelling through my editing skills is something that I embrace much. Being, able to ace my career in this bustling metropolis as a 'Senior Video Editor' by working with superlative clients is where I believe that working the heart out for our dreams do come true.

Being the official video editor for Emirates Airlines is one amazing path breaker in my career, that helped me create magic out of my imagination and creativity. My portfolio of works could speak for itself for the passion I have for the work I do in generating art that the world enjoys. One such joy happens to see when my projects create about 20 million plus views in the dynamic platform of YouTube. Take a scroll to browse through a few picks of the works that are prestigious and have added a jewel to my career.

Relentlessly, working to reach my goals - I aim to become an A1 content producer in the land that I have my roots to, the United Arab Emirates, by bringing uniqueness and exclusivity in everything I make with utmost confidence that this passion of mine, with my commitment and effort, will take me places in my career.
