SOME PERSONAL INFORMATIONS

With more than ten years of experience in post-production and scriptwriting for corporate, independent, and commercial clients, My expertise includes Adobe Premiere and Audition, as well as directing film projects from start to finish. I have created short films and videos for a variety of clients, including award-winning documentaries and feature-length movies. As a video editor, I have collaborated with cinematographers, directors, producers, and other professionals to deliver high-quality productions on time and within budget. Additionally, I have worked with many governmental entities.

EXPERIENCES

TIMELINE GROUP

SEP 2023 - SEP 2024

SENIOR VIDEO EDITOR

I work on a diverse range of projects, including television series, educational programs, and various TV shows, incorporating innovative approaches and modern technology. In addition to executing promotional work, I utilize cutting-edge techniques like 360-degree video filming and editing.

Some of the notable projects I've worked on include the TV series Tareq and Nouf, which aired on Rotana Channel, and the Abwab for Abu Dhabi Police series, consisting of short cinematic educational films. I've also contributed to programs like Pages from the Past, which delves into the history of the Emirate of Fujairah, and the Golden Jubilee program for Sheikh Hamad, the ruler of Fujairah, where AI was integrated with reality. Furthermore, I led a complete project using AI for Abu Dhabi Customs.
