ABOUT ME

As a film production manager, I am a highly skilled and dedicated professional with a passion for bringing creative visions to life. With a proven track record of successfully managing and coordinating diverse projects, I thrive in fast-paced and dynamic environments. I possess a strong understanding of all aspects of film production, from pre-production planning to post-production processes. I am known for my exceptional organizational abilities, attention to detail, and effective communication skills, which enable me to collaborate seamlessly with cast, crew, and producers. With a relentless commitment to delivering high-quality results, I am driven to ensure the successful execution of each project I undertake.

WORK EXPERIENCE

LINE PRODUCER - RUNNING SHOES HOLDING LTD

FEATURE FILM - THREE | DUBAI

AUG 2022 - NOV 2022

As a Line Producer in movie production, my role encompassed overseeing and managing all aspects of the physical and financial elements of the production process. I worked closely with producers, directors, and other stakeholders to transform creative visions into practical production plans. I was responsible for creating and managing budgets, negotiating contracts, and ensuring that all production activities remained within budgetary constraints. Additionally, I coordinated production logistics, including scheduling shoot dates, securing filming locations, managing equipment and facilities, and implementing safety measures. Throughout the production, I excelled in problem-solving, risk management, and maintaining effective communication across departments to deliver films on time, within budget, and to the highest production standards.

UNIT PRODUCTION MANAGER - 7 MEDIA FZ LLC

FEATURE FILM - PATHAAN | DUBAI

JAN 2021 - MAR 2021

- Budgeting and Financial Management

- Production Planning and Scheduling

Collaborate with the director, producer, and department heads to create a detailed production plan and schedule.

Identify potential production issues and provide proactive solutions to maintain an efficient workflow.

Ensure all necessary permits, insurance, and legal clearances are obtained for filming locations.

- Crew and Vendor Management

Recruit, hire, and manage the production crew, ensuring they have the necessary skills and resources to perform their roles effectively.

- Liaise with vendors, negotiate contracts, and oversee procurement of equipment, props, and other production resources.

Production Logistics:

- Coordinate travel arrangements, accommodation, and transportation for the cast, crew, and equipment.

Arrange for film permits, location agreements, and necessary permissions for filming.

Supervise the setup of production offices, facilities, and equipment on location or at the studio.

- Risk Management and Safety:

Implement safety protocols and ensure adherence to industry standards to maintain a safe working environment.

Identify potential risks and develop contingency plans to minimize disruptions to the production.

Obtain appropriate insurance coverage and manage any insurance claims related to the production.

- Communication and Collaboration

Facilitate effective communication and collaboration among different departments to ensure smooth production operations.
