Location: United Arab Emirates

Professional Profile

A passionate and versatile Music Composer with a strong background in creating impactful music across a wide range of genres. Skilled in blending traditional and modern elements, using industry-standard software such as Cubase and FL Studio. Experienced in producing high-quality compositions using orchestral and electronic sound libraries. Committed to crafting unique musical experiences for artists, media, and live performances.

Selected Projects

- The Final Hour | Epic Orchestral Track

Composed a powerful orchestral piece built on driving strings and heroic brass melodies.

Tools: FL Studio, Spitfire Audio Albion One, Kontakt
