To Whom It May Concern

We are confirming that Rania Basyouni successfully completed the 8-week Meisner course in July 2023. Throughout this period, Rania consistently demonstrated a strong dedication to the coursework, actively engaging in class discussions and showcasing a profound understanding of the Meisner technique.

Her commitment, coupled with a genuine enthusiasm for the craft of acting, was evident in both individual and group exercises. Rania's ability to apply the Meisner technique to practical scenarios reflects her passion and growth as a budding performer.

I am confident that the skills and knowledge acquired during the course will serve Rania well in her artistic endeavors. It has been a pleasure to have her as a student, and I look forward to witnessing her continued success in the world of acting.

Sincerely,
